Renewal by Andersen customers have come to expect top quality products and industry-leading signature service, but their benefits don't end at the day of installation.* Our customers have the peace of mind that comes from a warranty whose quality is akin to the Renewal by Andersen brand. AUTOMATIC TRANSFERABILITY

If you sell your home, our warranty transfers immediately and automatically to the new owner; there is no action required on your part. Many warranties require transfer paperwork, which means you have to remember to do the transfer at the time of sale and also work out the process for doing it. With everything else you need to do to sell your home, that's an additional burden you simply don't need. Some warranties even charge a transfer fee. With Renewal by Andersen, all those problems are completely eliminated. There are no fees and absolutely no action is required on your part – the transfer of coverage is always automatic.

NO MAINTENANCE REQUIREMENTS

Some warranties require specific maintenance to keep your warranty in force, but not Renewal by Andersen. There are absolutely no maintenance requirements to keep your warranty coverage. While we do recommend cleaning your windows as needed, it won't change your warranty – you're protected without having to do a thing!

NO GEOGRAPHICAL RESTRICTIONS

Did you know that some warranties have coverage exclusions based on where you live? That's why it's important to always research your warranty coverage before you buy. Geographical restrictions are never a concern with Renewal by Andersen. Our windows are built for any climate, so you'll have the same great coverage no matter where you live.

LABOR COVERAGE

Many warranties do not cover any labor costs; only the product itself is covered. Renewal by Andersen is a full-service company and our warranty gives you coverage for both the product and labor. It's peace of mind knowing you have a trusted warranty that gives you more complete coverage than typical warranties.

INSTALLATION COVERAGE

At Renewal by Andersen, we have the best team in the industry, including our expert Master Installers. That's why we can confidently stand behind all of our installations with real warranty coverage. With our warranty, there's never any finger pointing between the manufacturer and installer. We cover both, so you'll always know where to turn if there's a problem.

EASY-TO-UNDERSTAND TERMS

With some warranties it can be hard for homeowners to know what's covered and what's not. Not so with Renewal by Andersen. We make the terms of the warranty crystal clear so you can relax knowing you're protected by a proven and trusted company.

ADDITIONAL BENEFITS

Homeowners need to be aware what accessories and components are covered by a warranty. Some warranties provide only "bare-bones" coverage and fail to cover any supplementary parts or accessories. You'll love Renewal by Andersen's more comprehensive warranty that provides additional benefits you won't find in more basic warranties.
